

The image shows the interior of a restaurant or cafe. There are several wooden tables of different sizes, some with black chairs and others with wooden chairs. The walls are a mix of blue and white, with some areas having red curtains. A large window in the background shows a street scene with a car and a building. The floor is light-colored and polished. A long wooden table with a black base is in the foreground. A blue patterned rug is on the floor. The overall atmosphere is modern and cozy.

Christmas Party Packages 2026

About Us

Victor Indigo November is an independent wine merchant and wine bar, specialising in French wines, cheeses and provisions. We are based in Gateshead's Railway Quarter.

The business was set up by Charlotte & Lorrie Fenwick in 2023. We have a small team of dedicated staff, and all events are planned and hosted by ourselves and our team.

In 2026, recognising the immense popularity of our wine tasting events, we expanded into the neighbouring unit. We're really proud to have created the North East's only dedicated wine-led events space, and from here we can offer wine tastings, private hire, food pop ups and more.

Why Choose Us?

Exclusive use: our packages all include private use of the space for the duration of your event. We can accommodate groups of between 12 and 40.

Flexible start and finish times: daytime and evening availability on both weekdays and weekends

Quality products: our cheese & meats are carefully sourced to showcase the best of French produce, ensuring grazing tables look and taste the part!

“ For part of my daughter’s hen party we did wine tasting at VIN. What an excellent time we had! Charlotte’s excellent knowledge of wine was shared with us and service was outstanding. ”
