*For larger groups, we can come to your offices or work with you to find a suitable venue.
Contact us for prices and availability.

“The event was great and everyone really enjoyed it.

Wines were also really good and far better and more interesting than most wine tastings.”

Dining Experiences

We work closely with a private chef, Dotty in the Kitchen, and can collaborate with her for food-led events.

This can cover a range of formats, such as:

- Bespoke food and wine pairing events;
- Drinks reception with canapés;
- Cookery workshops; or
- Multi-course dinners

Whatever your food and wine idea, we'll do our best to accommodate it.

These events are fully bespoke so contact us for a quote.

For dining events, we recommend groups of up to 24.

“We went to the Dotty in the kitchen pop up event. The food was lovely; we thoroughly enjoyed every single bit of it.”

Add ons

Personalised Tasting Choose your own theme or wines from our vast selection	Bespoke - contact us to organise

About us

Victor Indigo November is an independent wine merchant and wine bar, specialising in French wines, cheeses and provisions. Based in Gateshead's Railway Quarter, the business was set up by Charlotte & Lorrie Fenwick in 2023. We have a small team of dedicated staff, and all events are planned and hosted by ourselves and our team.

In 2026, recognising the immense popularity of our wine tasting events, we expanded into the neighbouring unit. We're really proud to have created the North East's only dedicated wine-led events space, and from here we can offer wine tastings, private hire, food pop ups and more.
